## 4. Action Item(s):

## A. Budget Committee (Will Rodriguez-Kennedy)

## (1) Chief Financial Officer Report

Deputy CEO-CFO Mattix reported:

- This report encompasses the first four months of this fiscal year following the approval of the audited financial statements.
- $\circ$  Four months into the year the Corporation is surpassing its budget expectations.

- Although seventy percent of the center's business is repeat business, we have been able to welcome a few new shows and one of the most recent new shows was a corporate event.
- The sales team has been working to attract more corporate events and medical events, and the latest corporate event was fantastic. The event spread across twenty-eight hotels in the city, and it exactly fits the criteria of the type of events we want to bring here.
- The event's anticipated budget was originally \$1.9 million, and they spent \$3 million.
- Unfortunately, this event will not be a repeat customer because even though they loved the city and the center, they wanted a more compressed hotel footprint for their attendees (not spread out over 28 hotels).
- The center also hosted an event that was originally scheduled to take place at the Hilton during the strike. This event garnered an unexpected \$500,000 in revenue to the center.
- From a revenue perspective, the Corporation is greatly exceeding the budget.
- From an expense perspective, the Corporation has been prudent and intentional about waiting for the results of the election. We are on track and are, in fact, a little under budget in the Repair and Maintenance areas. That is mostly because the center has been so busy that we are addressing those repair items in November and December.
- Overall, the Corporation was expected to be at a \$4 million deficit at this point in the year and instead, we are running at a \$1.7 million positive net position (net position is after factoring in non-operating costs and depreciation).
- We originally anticipated our ending reserve balance would be \$9.5 million and we now believe it will be better than that. We will need to ask the City for considerable support in the future to address our capital maintenance needs and our improved reserve balance should assist us as we move into those discussions with the City.

After Ms. Mattix completed her update, Chair Gattas inquired if any member of the public wished to comment on Agenda Item (4.A.1). No members of the public responded to the request for comment.

Chair Gattas then called for Board discussion. Director Rodriguez-Kennedy noted that at the beginning of the year, the team faced what appeared to be an impossible financial situation. He thanked staff, especially the Deputy CEO-CFO and the finance team, for working very hard to be fiscally responsible with budgeting and contingency planning and prevailing despite very difficult initial circumstances. Director Rodriguez-Kennedy believes the team is well positioned to move forward next year. Chair Gattas noted that this agenda item requires no vote since it is an informational item.

## (2) Authorization to Approve Contingency for Chiller Repair Costs

Chair Gattas called for a staff report regarding this item. After staff submitted its report, Chair Gattas inquired if any member of the public wished to comment on Agenda Item (4.A.2). Ms. Lori Saldaňa submitted a speaker's slip requesting an opportunity to address the Committee regarding Agenda Item (4.A.2), and she was granted an opportunity to address her comments to the Committee regarding her request that the Corporation consider creating a climate resiliency fund budget item

to cover increasing energy costs attributable to the age of the building and other environmental factors.

After presentations by Staff, request for public comment and for Director discussion, Directors Rodriguez-Kennedy and Newsom, moved and seconded, respectively, to Approve a Contingency for Chiller Repair Costs as follows: \$728.54 to Radwell, and an additional 10% contingency allowance of \$9,977.40 for unforeseen costs, bringing the total not-to-exceed capital project value to \$110,468.91.

After presentations by staff, and Board discussion, Chair Gattas inquired if any member of the public wished to comment on Agenda Item (4.B.1). No members of the public responded to the request for comment.

#### C. Executive Committee (Jeff Gattas)

(1) A Resolution of the San Diego Convention Center Corporation, Inc. Finding that the Compensation of the President & CEO is Just and Reasonable, Approving the Sixth Amendment to the Amended and Restated Employment Agreement Between the Corporation and Rippetoe, and Authorizing the Chair to Execute the Sixth Amendment to Amend the Terms of Employment as Specified Herein

During Board discussion, Director Rodriguez-Kennedy noted for the record that this proposed action actually controls costs in the long term because the Board is leaving behind the ambiguous retention incentive language and now doing a fair analysis of national pay, and, additionally, cutting the Corporation's costs over time.

After presentations by staff, and Board discussion, Chair Gattas inquired if any member of the public wished to comment on Agenda Item (4.C.1). Ms. Lori Saldaňa submitted a speaker's slip requesting an opportunity to address the Committee regarding Agenda Item (4.C.1), but she withdrew her request noting her question had been answered during the staff presentation.

## Agenda Item 4.A.1

## **CFO Report to Board of Directors** For the month ending December 31, 2024

(As of January 27, 2025)

## **Financial Performance:**

**<u>Revenue</u>**: Over the first half of the year, revenue has exceeded budget expectations by over \$4.5M, fueled by a combination of new corporate and medical events surpassing projections, and event performance related to ancillary services. November welcomed a new medical show, "The Liver Meeting," presented by the American Association for the Study of Liver Diseases, that brought more than 7,700 attendees, driven by concerted efforts to book this type of event.

Summary of Events, Nov – Dec	
Citywide Events	8
Short-term	10
Econ Impact	\$291M
Attendees	96,500
Est Tax Rev to City	\$9.3M

**Expenses:** Most expenses are in line with the budget, with the exception of repair and maintenance, wardrobe supplies, leased assets, and capital assets. The variances in repair and maintenance, as well as capital assets, are primarily due to limited time available for repairs around event schedules. Wardrobe supplies are under budget due to delays in finalizing the new uniform contract, which were caused by renegotiated quantity adjustments during labor negotiations. Additionally, the amortization of leased assets will reflect an unplanned \$121K monthly expense due to the earlier-than-expected execution of the marshal yard contract, resulting in an anticipated \$1M excess cost by year-end.

**Operating results**: Although the budgeted year-to-date operational loss was projected at \$5.5 million, our actual performance reflects a positive \$2.2 million, resulting in a favorable variance of \$7.7 million year-to-date. This improvement is largely due to prudent spending and unexpected exceptional event activity. Reserves started the year at \$27,356,529 and remain strong at approximately \$29.0 million, after accounting for IBank debt payments and capital investments.

<u>Capital and maintenance efforts:</u> FY25 is shaping up to be a record-setting year, particularly in revenue performance. SDCC has strategically leveraged these revenues to build and expand a dedicated engineering team focused on long-term asset maintenance and capital renewal. Over the past three years, SDCC has significantly increased spending on repair and maintenance, with annual expenditure growing from \$3.5M to \$6M. Additionally, capital expenditures have risen from an average of \$3M annually to \$9M, as major projects near completion.

Given the City's budget shortfall, SDCC will continue to exercise fiscal prudence, per the City's directive to prioritize only critical capital expenditures. As we develop our long-term asset management program and enhance capital planning, it is critical to emphasize the continued need for future reinvestment from the City in order to continue our ongoing capital initiatives and ensure we can meet the evolving demands of our infrastructure and service commitments.

#### Agenda Item 4.A.2

## SAN DIEGO CONVENTION CENTER CORPORATION MEMORANDUM

TO:	Board of Directors
FROM:	Alyssa Turowski, Budget Chair
DATE:	For the Agenda of January 29, 2025
RE:	Authorization to Contract for Elevator B Modernization Including Electrical and Fire System Improvements

## BACKGROUND

The San Diego Convention Center currently operates a total of 22 elevators, including 8 freight, 13 passenger, and 1 incline, along with 14 escalators. Of these, 14 elevators are situated within the West Building, 5 of which contain original control systems and components dating back to 1989. Notably, Elevator B, one of these five, has been nonoperational since Fall 2024 following several unsuccessful repair attempts. Given the advanced age of its infrastructure, it is strongly recommended that we proceed with the modernization of Elevator B to restore its functionality.

#### DISCUSSION

Our team consulted with Otis Elevator Company, the current contractor for elevator and escalator maintenance, to assess the condition of Elevator B. The evaluation revealed that numerous components are outdated and would require replacement, but those repairs would likely not provide long-term reliability. After considering the potential for ongoing failures, modernization was identified as the optimal solution. This approach will replace the outdated components with state-of-the-art technology, ensuring compliance with current safety standards, enhancing reliability, and minimizing future downtime.

Otis has provided a quote for the modernization of Elevator B totaling \$154,916.40.

As part of the modernization, the fire recall system in the unit must also be upgraded to integrate with our existing fire alarm system. Our contracted vendor, Sygnal Systems, has provided a quote for the electrical and fire system improvements at \$75,000.00.

We anticipate that the project will be completed by December 2025, accounting for lead times and installation schedules.

#### BUDGETARY IMPACT

While modernization of the Convention Center's elevators and escalators is included in the broader Capital Plan for future years, the specific upgrade of Elevator B was not forecasted for FY25 or FY26. As such, this project represents an unplanned and unbudgeted capital expenditure. The financial impact will be as follows:

Budget Committee Agenda Item 4.A.2 January 29, 2025 Page 2

- A materials pre-payment of approximately \$77,458.20 in FY25
- The remaining \$152,458.20 will be completed in FY26

This expenditure is critical to maintaining the operational efficiency and safety of the Convention Center's facilities.

## RECOMMENDATION

Staff requests that Board authorize awarding a contract to Otis Elevator Company for the modernization of elevator B at a cost of \$154,916.40, and awarding a contract to Sygnal Systems for electrical and fire system improvements at a cost of \$75,000, with a 10% contingency on the project (\$22,991.64), for a total not-to-exceed cost of \$252,908.04 as a FY26 capital expenditure.

/s/ Alyssa Turowski, Budget Chair

EOC Work Force Report (rev. 08/2018)

# SAN DIEGO

## **Work Force Report**

#### HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (American Indian or Alaska Native, Asian, Black or African-American, Native Hawaiian or Pacific Islander, White, and Other) for each occupation. Currently, our CLFA data is taken from the 2010 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

#### WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report<sup>1</sup>. By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county<sup>2</sup>. If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work Force Reports representing your firm from each of the three counties.

#### MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report<sup>1, 3</sup>. In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.<sup>3</sup>

#### **TYPES OF WORK FORCE REPORTS:**

Please note, throughout the preceding text of this page, the superscript numbers one <sup>1</sup>, two <sup>2</sup> & three <sup>3</sup>. These numbers coincide with the types of work force report required in the example. See below:

- <sup>1</sup> One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- <sup>2</sup> Branch Work Force \*
- <sup>3</sup> Managing Office Work Force

\*Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.

#### **RACE/ETHNICY CATEGORIES**

American Indian or Alaska Native – A person having origins in any of the peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.

Asian – A person having origins in any of the peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American – A person having origins in any of the Black racial groups of Africa.

Native Hawaiian or Pacific Islander – A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White – A person having origins in any of the peoples of Europe, the Middle East, or North Africa.

Hispanic or Latino – A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin.
