

COMIC-CON TRAFFIC FLOW

This new traffic route is designed to improve ingress and egress during Comic-Con, as well as reduce unnecessary traffic congestion due to non-badged members on Harbor Drive.

This proposed plan meets the following goals:

- Clears SDCCC front drive of all traffic, except emergency vehicles
- Allows badged members more walking room in front entrance areas, improving life-safety for badged attendees
- Creates clear shuttle paths during peak hours
- Harbor Drive will be closed to traffic on the following days/times:
 Wednesday, July 18, 3pm-9pm
 Thurs-Sat, July 19-21, 7am-9pm
 Sunday, July 22, 7am-7pm
