To the Trustees
of San Diego Convention Center Corporation
Money Purchase Pension Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of San Diego Convention Center Corporation Money Purchase Pension Plan, which comprise the statements of net assets available for plan benefits as of December 31, 2016 and 2015, the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting audits in accordance with auditing standards generally accepted in United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Wells Fargo Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the plan trustees as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the plan custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of assets (held at year end) as of or for the year ended December 31, 2016, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015**

NOTE 1 DESCRIPTION OF PLAN

The following description of the San Diego Convention Center Corporation Money Purchase Pension Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A) GENERAL - The San Diego Convention Center Corporation Money Purchase Pension Plan is a defined contribution plan covering all employees of The San Diego Convention Center (the "Company") who have completed at least 1,000 hours in one year who are not covered under a union retirement plan. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B) CONTRIBUTIONS - For each plan year, the employer is required to contribute an amount equal to 10% of the total annual compensation of all participants who have earned at least 1,000 hours of service during such plan year. Contributions for any one plan year shall be transferred to the Plan; provided, however, such contributions shall be paid no later than the due date of the employer's corporate tax returns (or any extension thereof). In the event the annual contribution is deposited after the close of the plan year, the employer shall designate the plan year to which such contributions apply. Total payroll for the years ended December 31, 2016 and 2015 was \$16,769,503 and \$15,945,233, respectively. Contributions were calculated using eligible wages of \$12,736,886 for 232 employees and \$12,141,049 for 230 employees for the years ended December 31, 2016 and 2015, respectively. The Plan was fully funded during 2016 and 2015.

C) PARTICIPANT ACCOUNTS - Participants have separate accounts for contributions to the Plan. Annually, each account recognizes appropriate contributions, plan earnings or losses net of fees, and applicable forfeitures upon participant termination.

D) ALLOCATIONS - Forfeitures are used to reduce the employer's liability for current or subsequent contributions to the Plan.

E) VESTING - Vesting in participant's accounts, based on years of service, is as follows:

YEARS OF SERVICE	<u>VESTED PERCENTAGE</u>
Less than 1 year	None
1 year but less than 2	20
2 years but less than 3	40
3 years but less than 4	60
4 years but less than 5	80
5 years or more	100

NOTE 1 DESCRIPTION OF PLAN (Continued)

F) LOANS - Employee loans are permitted under the Plan, however, loan amounts may not exceed the lesser of \$50,000 or 50% of the Participants vested account balance, subject to a minimum loan amount of \$1,000. Interest charged on the loans is Prime plus 0.5%.

G) PAYMENT OF BENEFITS - No lump sum payment due a participant may be made without the participant's consent unless such payment is made in accordance with the provisions of this paragraph. If a participant's vested account balance on date of distribution exceeds \$1,000 but is less than \$5,000, the participant may elect to receive such vested account balance in a single lump sum payment and no further benefit will be due. If the participant's vested account balance on date of distribution does not exceed \$1,000, the plan administrator may elect to pay such vested account balance in a single lump sum payment and no further benefits will be due the participant.

H) PLAN ADMINISTRATIVE EXPENSES - Expenses of the Plan, to the extent that the employer does not pay such expenses, may be paid out of the assets of the Plan provided that such payment is permitted by law. During the years ended December 31, 2016 and 2015, the majority of the administrative expenses of the Plan were paid using the assets of the Plan. Amounts totaling \$47,613 and \$46,815 were paid directly by the Plan for trustee fees for the years ended December 31, 2016 and 2015, respectively.

I) VOLUNTARY CONTRIBUTIONS - The Plan does not permit voluntary contributions.

J) INCOME TAX STATUS - The Plan received a favorable determination letter from the Internal Revenue Service on December 19, 1995, indicating that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and, as such, is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A) BASIS OF ACCOUNTING - The accompanying financial statements have been prepared using the accrual method in conformity with generally accepted accounting principles (GAAP) in the United States.

B) ESTIMATES - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C) INVESTMENT VALUATION AND INCOME RECOGNITION - Investments are maintained in mutual funds and a common collective trust and are stated at values certified by the institution that holds the Plan's assets as an investment manager and are under the custody of the Plan trustee. Quoted market prices are used to value investments at fair value. Shares in the mutual funds and the common collective trust are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The cost basis of the assets was \$21,054,466 and \$20,534,103 as of December 31, 2016 and 2015, respectively.

D) FAIR VALUE MEASUREMENT - The Plan follows accounting standards consistent with the Financial Accounting Standards Board (FASB) codification which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements for all financial assets and liabilities.

E) NOTES RECEIVABLE FROM PARTICIPANTS - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

F) BENEFIT PAYMENTS - Benefit payments are recorded when paid. There were no unpaid benefits at December 31, 2016 and 2015.

G) INCOME TAXES - The Plan follows accounting standards which clarify the accounting for uncertainty in income taxes recognized in the Plan's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. It also provides guidance on derecognition and measurement of a tax position taken or to be taken in a tax return. The Plan is a governmental plan as defined in section 3(32) of ERISA, and thus exempt from Title 1 of ERISA and certain provisions of the Internal Revenue Code. The Plan is subject to the unrelated business income tax (UBIT) in any taxable year it's unrelated business taxable income (UBTI) exceeds \$1,000. Management does not believe they have conducted business which is not substantially related to the Plan's exempt purpose or invested in any non-qualified investments that would be subject to UBIT. As of December 31, 2016, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event the Plan is terminated, participants will become one hundred percent (100%) vested in their accounts.

NOTE 4 PARTICIPANT WITHDRAWALS

For the years ended December 31, 2016 and 2015, \$1,511,242 and \$959,336, respectively, have been distributed to participants who have withdrawn from the Plan.

For the years ended December 31, 2016 and 2015, the total amount of forfeitures used for the Plan were \$27,802 and \$72,710, respectively. These forfeitures were used to reduce employer contributions to the Plan. At December 31, 2016 and 2015, there were no forfeited nonvested accounts.

NOTE 6 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Inputs consist of unobservable inputs and are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

NOTE 6 FAIR VALUE MEASUREMENTS (Continued)

The fair values of mutual funds are based on the closing price reported in the active market where the individual securities are traded, when available and are classified as Level 1 investments.

Common and collective funds consist of pools of a stable return fund. They are valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of each of the respective common collective trusts. The values of the underlying investments are observable, and accordingly, the investments are classified as Level 2.

Financial assets carried at fair value at December 31, 2016 and 2015 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

December 31, 2016:	Level 1	Level 2	Level 3	Total

NOTE 7 RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

NOTE 8 PARTY-IN-INTEREST

Certain Plan investments are common and collective funds and shares of money market funds managed by Wells Fargo. Wells Fargo is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees incurred by the Plan to the Trustee totaled \$47,613 and \$46,815 for the years ended December 31, 2016 and 2015, respectively. The Company also pays certain administrative fees of the Plan, which are not reimbursed. In addition, the Company provides administrative services to the Plan at no cost to the Plan.

NOTE 9 SUBSEQUENT EVENTS

Management has evaluated subsequent events through May 30, 2017, the date which the financial statements were available to be issued. There were no material subsequent events which affected the amounts or disclosures in the financial statements.
